Faculty Development Programme

KONGU ARTS AND SCIENCE COLLEGE

(AUTONOMOUS)
NANJANAPURAM, ERODE - 638 107.

*"We want the education by which character is formed, strength of mind is increased,
the intellect is expanded, and by which one can stand on one's own feet"*

-Swami Vivekananda

This was the dream of Swami Vivekananda, but in the present scenario, youth are becoming mere degree securing machines by reading only the texts prescribed.

Youth community is struggling because of the lack of the values like generosity, patriotism, self-control, perseverance, self-confidence and social unity. As a result, the society is facing many problems. To inculcate great values and principles among the youth, Value Based Education should be introduced.

In tune with this, a One-day Faculty Development Programme is arranged for Educators, Department Heads and Professors to guide them to introduce Value Based Education in an effective way in their Institutions. So, we request you and the members of your Institution to participate in the Programme.

Kindly send the list of faculty members from your Institution, who will take part in this noble cause, on or before 5th September, 2016 through e-mail: iqackongu@gmail.com

We have hereby enclosed the invitation of the Programme.

Awaiting you all to join with us in this Noble National Service.

Wish your noble cause many more success....

Towards Mother Country's cause
