

The Vision of the College is to impart knowledge and skills to rural youth in order to meet their intellectual and social aspirations and cultural and technical needs of the society.

A number of activities are carried out through various Clubs, Cells and Forums. Along with the AID India Chapter our College has organized many events for the School students (Tribal). They taught Basic Science Concepts and Language Skills. They also conducted the preparatory class and test their acquired knowledge by conducting a Model NEET Examination.

A healthy individual will play a healthy role in Nation's development. The health of the individuals are enhanced and maintained through various hygienic and healthy practices like Physical Exercises, Yoga etc.,

Our College is regularly organizing various Sport Activities for the rural youth under the title Sports Activities for rural Youth (SAY).

To inculcate the knowledge of National Language Hindi among the rural Elementary School students, the Department of Hindi and other Languages of our College taught Hindi through Beej – Hindi Siksha Abhiyaan – Teaching Hindi.
